## Program

Meet, Share and Learn are the goals for this week-end. Several workshops will be organised which you can attend. We don't yet have the themes for these workshops but we will let you know as soon as possible. We will also have fun activities, cultural activities and spiritual activities trying to link everything with scouting and guiding.

Is there a special subject you would like to emphasize? Let us know! Send an email to [philclem@club.fr](mailto:philclem@club.fr) and we will try to pay attention to your proposal.

Next to the workshops, there will be time available for chatting, badge swapping, exchanging experience...

## Stay

We will be sleeping in 2-3 beds rooms with bathrooms. There will be bed linen and towels so you can take only your scout uniform and personal belongings and take a low-cost flight.

The camp begins on Friday 26th May and finishes on Monday 29th. Salvation Army minibuses will come and fetch us at the Airport to drive us to the center which is at 3-4 hours of travelling. As far as it is possible, try to arrive at Bucharest airport before 14:00 on Friday and leave after 17:00 on Sunday.

Romania can help you if you would like to arrive one day earlier or leave one day later. Just let us know.
